

IMPORTANT TAX INFORMATION QUALIFIED INTEREST INCOME ("QII") DIVIDEND REPORT TAX YEAR 2024

This information relates to Non-Resident Alien ("NRA") shareholders and their advisors only. In accordance with the American Jobs Creation Act of 2004, as extended, NRA investors may be exempt from all or a portion of the withholding tax on distributions received from the iShares and BlackRock Funds to the extent attributable to interest-related dividends and short-term capital gain dividends. Shareholders may be eligible for a Federal tax refund for the amount of the taxes withheld in excess of the required amount. The following information sets forth the distributions that were designated by the iShares Funds as exempt from NRA withholding.

NRA shareholders will receive a Form 1042-S from their financial advisor or or brokerage firm. This Form will report income and any amounts of NRA withholding on their iShares Funds.

Funds that are not listed on this report did not have any distributions attributable to interest-related dividends or short-term capital gain dividends.

This spreadsheet does not constitute, and should not be considered a substitute for, legal advice. The rules governing the proper tax characterization of distributions by investment companies can be complex. Shareholders should consult their own tax advisor regarding the proper tax characterization and reporting of the fund's distributions.
